PROFESSIONAL SUMMARY

Customer Service and Sales Professional with 10 years of experience turning customer problems into sales opportunities within the financial services industry. Proven success serving 20–25+ customers daily, acquiring over 1,000 new customers, and consistently achieving 100% of monthly and annual sales targets through consultative selling and proactive relationship management — earning the Overall Best Sales Agent award. Brings additional range from executive-level administrative coordination, including calendar and travel management, confidential records handling, and research that directly informed a business procurement decision. Currently building on this foundation through a Marketing AI internship at FlyRank AI, applying AI-driven growth strategy to real client work.

PROFESSIONAL EXPERIENCE

Relationship Officer, Customer Service & Sales Specialist — Access Bank PLC (Formerly Diamond Bank) Jan 2016 – Jan 2026

- Provided prompt, professional support to 20–25+ customers daily via phone and email, resolving enquiries and account issues efficiently.
- Acquired and onboarded over 1,000 customers through proactive business development, networking, and relationship-building.
- Consistently achieved 100% of monthly and annual sales targets through consultative selling and needs-based product recommendations.
- Awarded Overall Best Sales Agent for the year in 2016 for outstanding sales performance.
- Resolved customer complaints professionally, improving customer retention and loyalty.
- Managed customer accounts, maintained accurate records, and ensured compliance with organizational policies.
- Collaborated with internal departments to deliver efficient customer service and resolve issues promptly.

Personal Assistant to the Executive Director — Raph Ife Company Limited Nov 2013 – Dec 2015

- Researched costs, specifications, and sourcing for a 100-tricycle, 50-milling-machine, and 20-truck empowerment program in Asaba, Delta State, compiling findings into a presentation catalog that shaped the executive's procurement decision.
- Managed executive calendars, appointments, meetings, and travel arrangements.
- Handled email correspondence and communicated with internal and external stakeholders.
- Prepared business reports, presentations, and executive documentation.
- Maintained confidential records and administrative documentation.
